

Aumsville.

Born—To Mr. and Mrs. J. Lang last Sunday evening, a boy.

J. B. and C. A. Winslow have returned to Olympia after a visit of two weeks with their parents Mr. and Mrs. A. Winslow.

Mr. S. Goodie has gone to Minto for a few days. Jerome Foley and Rob Goodie of that place will return with him.

The angel of death has taken the mother from the home of Mr. G. W. Hayward, leaving four little children.

Miss Connie Davy, of Stayton, is visiting her cousins Messrs Mollie and Frankie Gilbert.

Rev. Kane is holding protracted meetings at this place. There are quite a number of converts.

Mr. Weinrich has purchased seven acres of land of Chas. Hein.

Mr. F. L. Pound received a letter from his son Orie stating he was soon to be married.

Schools and Economy.

EDITOR JOURNAL:—As the day approaches for the voters to select a school director, it seems to me that it is far more important to select a man who is competent to fill the position than to mix him up with any "isms." Let us have a man who will insist on having good teachers at a fair salary; rather than a chronic economist who will not look to qualifications so much as to whether the schools can be run cheaply. Let our schools be run economically by all means, but do not lower the standard of efficiency in order to save a few mills to the taxpayer. Let the motto of our board of education be first efficiency; second economy.

TAXPAYER.

It is thought that Hon. Warren Truitt, recently federal judge of Alaska, will have votes from Polk and Klamath counties for the congressional nomination.

The firemen of Amity expect to celebrate their first anniversary some time next month by holding a firemen's fair.

The Amity "Batchellors" will give a social on the 28th inst. What will it be?

"Going into a decline." How often do we hear this expression. What does it mean? It means that people are losing flesh, growing thin, wasting.

The way to correct this condition is to improve the digestion. The condition arises from an inability to eat and digest food. In fact food does more harm than good because it ferments and putrefies in the stomach, developing poisonous substances which when absorbed cause various disorders.

What is required is that the stomach be made to perform its duties. The Shaker Digestive Cordial is a food already digested and a digester of foods as well. It will make the stomach healthy. Get a book from the druggist and read about it. A California chemist has robbed Castor Oil of its bad taste. Laxol is its name.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became a Girl, she clung to Castoria.
When she had Children, she gave them Castoria.

Clover Hay.

Brewster & White, the feed store men at 91 Court street, have just received a carload of first-class clover hay.

Will Not Perform Miracles But It Will Cure.

DR. MILES' RESTORATIVE NERVE cures nervous prostration. Not miraculously, but scientifically, by first removing the germs of disease, and then supplying healthy nerve food, increasing the appetite, helping digestion and strengthening the entire system. Dangerous cases require prolonged treatment as shown by that of Mrs. M. B. Reed, of Delta, Iowa, who writes: "As the result of a lightning stroke, the physicians said I had a light stroke of paralysis, my limbs would all draw up. I would have throbbings in my chest that seemed unbearable. For three months I could not sleep and for three weeks did not close my eyes. I prayed for sleep, and felt that if relief did not come I would be dead or insane. I took Dr. Miles' Restorative Nerve and the second night slept two hours and from that time on my health improved; slowly at first, but steadily and surely. I took in all 40 bottles, and I cannot express how grateful I am, for I am now over four months." Dr. Miles' Restorative is sold by druggists on guarantee that first bottle benefits or money refunded.

WHY IT CIRCULATES

Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES

Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the postoffice of Western Oregon causes a great deal of comment, and needs some explanation. Orders keep pouring in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expirations.

IT IS THE CHEAPEST Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to take an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT. The people will not pay cash in advance for a paper unless they want it and appreciate it. THE WEEKLY is as popular as THE OREGON JOURNAL, which is conceded to be the most popular daily in Western Oregon.

A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work this winter. I can get along without one meal a day. But I can't get along without THE ONE CENT DAILY. These long, cloudy, rainy, winter days it comes a welcome messenger to cheer the whole family." The people feel the same way about the WEEKLY.

FROM NETARTS BAY. comes a cheering letter from a subscriber at Netarts, Oregon who encloses a dollar and writes: "DEAR EDITOR: THE JOURNAL has the true Republican ring about it. I wish that every paper in the country would advocate the peoples cause as THE JOURNAL does. I will do all I can for THE JOURNAL."

W. C. O'HARA, a Republican of the school of Abraham Lincoln.

Mr. O'Hara is not afraid to sign himself an Abraham Lincoln Republican and THE JOURNAL feels proud to be considered a champion of Abraham Lincoln Republicanism.

FROM MAINE TO TEXAS. Come orders for THE WEEKLY JOURNAL. Silver dollars are sent. John Holm, Luling, Texas, sends us a big dollar of the daddy in a common envelope. It is one of those "In God We Trust," dollars issued in 1893, good enough for any American, and good enough for any newspaper. THE JOURNAL is the only silver daily and weekly in Oregon. THE JOURNAL is the only daily and weekly in Oregon that fights the whole gold bond humbug and stands for the right of the American people to buy their bonds. It demands Republican legislation for the American people instead of for the corporation, the trusts, the bondholders and syndicates.

ORDER THE JOURNAL. Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles. We will pay extra postage on silver. Don't send stamps.

How's This? We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & Co., Props., Toledo, O. We the undersigned, have known F. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligation made by him.

WEST & TRUAX, Wholesale Druggists, Toledo, O. WALKING, KINNAN & MARNIN, Wholesale Druggists, Toledo, O. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Price 75c. per bottle. Sold by all druggists. Testimonials free.

Tired Women

Find in the blood purifying, building-up qualities of Hood's Sarsaparilla just what they need.

Mr. Isa Griggs of Ennis, Texas, gives her experience below: "I suffered almost death with local troubles, which developed into a very serious affection and made a surgical operation necessary. I was completely broken down, had numerous boils, and when I commenced taking Hood's Sarsaparilla I weighed only 112 pounds. Now I weigh over 125 pounds and am in better health than for the past fifteen years. Formerly I was covered with eruptions; now my skin is clear. I can truly say Hood's Sarsaparilla has no equal for poor run-down women. Every one remarks about how well I am looking." Mrs. Isa Griggs.

Hood's Pills are harmoniously with Hood's Sarsaparilla. See Hood's Pills.
